

## Professional Development Workshops for Child Care Providers

November 18, 2009 6-8 pm

### How Children Learn & How We Teach

Just as people learn in different ways, teachers have their own individual teaching styles.

In this satellite training you will look at techniques used to teach children, how children learn and things you should be doing with children of different ages and stages of development to help them be successful learners.

(K1,C2, 1) Deadline to register 11/12/09

This publication is available in alternative media on request.

Penn State encourages persons with disabilities to participate in its programs and activities. If you anticipate needing any type of accommodation or have questions about the physical access provided, please contact Susan Conrad at (570) 296-3400 in advance of your participation or visit.

### Appropriate Learning Materials

Have you ever noticed that children flock to certain learning areas in your program while leaving others empty and alone?

In this satellite training, you will find out about favorite learning materials of young children during different stages of development, what makes them so popular and what children are learning when they use them.

(K2,C2, 15) Deadline to register 10/2/09

To register go to <http://www.pakeys.org>, click on Log-In. Once you are logged in, you will find instructions for registering for calendar events. If help is needed call Sue at the Cooperative Extension office (570) 296-3400. On-line registration is required 5 days prior to workshops.
